Welcome to our 2008-2009 Swimming & Diving season. The coaches would like to thank all of you who have continued to support our teams through your involvement in **Fast Lane Fans**. A strong booster group is very important to the success of our teams. A special thanks to each of you who has taken charge of a committee or served on the Board in the past. We hope you will continue to share your passion and great ideas by joining this great group. And for the new folks—joining up is a great way to connect with the greater swimming & diving community in Minnesota. **Go Gophers!**

# Fast Lane Fans

Fast Lane Fans is the Booster Club for the University of Minnesota Men's & Women's Swimming & Diving teams. It helps support the teams in many important ways by:

- \* Creating "Gopher Spirit" by wearing maroon & gold at the meets & by making student athletes aware of the enthusiastic support in the stands
- \* Contributing to the salaries of the regenerative/rehabilitative specialists
- \* Helping finance the yearly updating of the All-American and Hall of Fame displays in the Aquatic Center galleries
- \* Contributing to the winter training trips
- \* Producing a newsletter which summarizes, highlights & updates both the Swimming & Diving teams and the FLF activities
- \* Encouraging alumni involvement and support of the teams.
